Map adapted by the **New York-New Jersey Trail Conference** from **North Jersey Trails and Jersey Highlands Trails**. These comprehensive map sets include elevation contours, are waterproof and tear-resistant, and show more than 500 miles of trails within 40 parks in northern New Jersey.

The **Trail Conference** supports parks by mobilizing thousands of outdoor-loving volunteers who create, maintain, and protect 2,150 miles of public trails. Support trails and the work of our volunteers by **purchasing great trail maps, volunteering on the trails, making a donation, or simply visiting nynjtc.org for more info.**
